

Geospatial Futures Symposium Individual Introductions

Tentative list subject to change - please contact Francis Harvey (fharvey@umn.edu) regarding any changes. A (P) behind your name indicates you have said you will provide a presentation.

Questions to address in Introductions

1. What would you want your potential inter-disciplinary collaborators to know about?
2. What kind of inter-disciplinary collaborators are you looking for?
3. Are there any specific collaboration goals you have in mind?

Friday, 10:45 - 12:00
